Thanksgiving Tips

Thanksgiving is when families come together to eat a large turkey dinner. Here are a few tips and ideas to make your Thanksgiving more enjoyable:

1. Try eating your turkey without the skin. This will cut the fat and cholesterol, while making room for more food.
2. Have the kids trace their hand on a piece of paper. The fingers will be the turkey's feather and the thumb will be the head. Color in and hang on the wall.
3. Remember it is Thanksgiving. Take the time to appreciate what you have and to be Thankful.
